

Chaires Methodist Church:
 “A Lighthouse Guiding People to Christ”

No Fear

The Bible is full of commands. But do you know what the most common one is?

Don't be afraid. You'll find it 365 times in Scripture—including several times in the Easter story. “Don't be afraid” were the first words the angel told those who showed up at the tomb on Easter morning. They were also the first words Jesus spoke after the resurrection.

It's no wonder why it's a common theme of the Bible and in the Easter story: **Fear is humanity's most common problem.** You might not think you're a fearful person. But if you think about it, you may realize that many of your decisions are based on fear, such as the fear of what people think of you and the fear of failure.

But Easter brings good news! Because of the resurrection of Jesus Christ, you can now live without fear. The Bible says in 2 Corinthians 5:14-15, “[Jesus] included everyone in his death so that everyone could also be included in his life, a resurrection life, a far better life than people ever lived on their own” (MSG).

When you live according to the resurrection of Christ, the Bible says you're living a better life, a life where you're free from fear. In fact, there are two truths about the resurrection that will set you free from fear if you understand them.

First, you know Jesus tells you the truth. Throughout history many people have claimed to be God or the Messiah—but only one proved it. The Bible says, “[Jesus] was declared to be God's Son with great power by rising from the dead” (Romans 1:4 NCV).

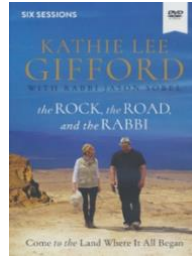

Without the resurrection, you couldn't trust anything Jesus said. But you can trust what Jesus says about God, heaven, and everything else he taught because he rose from the dead like he said he would.

Second, you know death isn't the end. Until Jesus rose from the dead, people didn't know if there was life after death because there was no proof. Jesus changed that. The Bible tells us, “God raised the Lord Jesus from the dead, and we know that God will also raise us with Jesus” (2 Corinthians 4:14 NCV). You don't need to fear death, because Jesus' resurrection shows us that death isn't the end of the story. It's really the beginning of your best life—your eternal life in God's presence.

Learning to live without fear will transform your life now!

Sign up for an exciting adventure from April 25-May 30!

Kathie Lee invites you to join her as she visits sites in Israel that have impacted her life. As she shares her story, Rabbi Jason Sobel, a messianic Jewish rabbi who was trained in the ancient rabbinical way, provides fascinating background details into the language, culture and

heritage that make the story of the New Testament come alive. Kathie Lee and Rabbi Sobel will take you and your group beyond the typical "Sunday school" teaching to examine the original texts of the Bible.

Now you can walk with Kathie on a journey through the spiritual foundations of her faith:

- **The Rock (Jesus Christ):** Hear directly from Kathie about her life-changing and ever-deepening connection with Jesus, the Lover of her soul.
- **The Road (Israel):** Explore dozens of ancient landmarks and historical sites from Israel, the promised land of God's covenant.
- **The Rabbi (God's Word):** Go beyond a Sunday-school approach to the Bible by digging into the original languages and deeper meanings of the Holy Scriptures.
